

NWADI OKEREKE
Management Consultant, Trainer and Facilitator

55 Selsdon Road
London, NW2 7NG
Tel: 0208 450 4042
Email nokerk@aol.com

SPECIALISMS

Training: I work freelance as an organisational development and management consultant on issues as management committee roles and responsibilities, fundraising, management practices and processes, interagency partnerships, project development and management, evaluation and monitoring and volunteer management.

Facilitation: National and international conferences e.g. interagency workshops and events between public, private and third sector workers, Away-days for third sector staff and board members.

Short Consultancy: Developing, implementing and/or managing projects e.g. (3-6 months/ part-time) for national and regional BME networks and co-ordinating groups, local organisations.

WORK EXPERIENCE

I have worked in the voluntary sector for over 20 years managing grants, projects, staff training and development programmes on short and long term bases. I also have over a decade's experience of working as a vocational educator and trainer on NVQ programmes with tertiary educational establishments; as well as served in various national and international public sector committees and boards.
